Business Immigration at JPC

Setting up or moving to the UK can often be a complex task - JPC’s Business Immigration Team make it their job to know everything there is to know about this evolving area of law.

Whether you are an entrepreneur starting a business in the UK, a global corporation transferring staff here or a family moving to the UK, we approach all business immigration related matters including obtaining a visa with the JPC ethos of success through unity - working closely with our colleagues in our Corporate and Employment Teams to create tailored solutions.

JPC’s Business Immigration Team advises businesses and individuals on all aspects of temporary and permanent based immigration options.

Whatever your immigration issue, JPC will work collaboratively and use their innovative approach, making immigration law work for you.

## JPC is an award-winning commercial and private client practice.

Our mission is to work together across disciplines, achieving successful outcomes in an ever-evolving market through skilfully applied legal intelligence.

Our innovative approach of 'success through unity' has served to build and maintain long-standing relationships with both international and UK-based clients. Proactive rather than reactive, we bring together expertise from across our team, delivering tailored solutions to a broad client base.

We are proud of our people, who together create a diverse and driven team. We deal with all matters professionally, efficiently and effectively. We are fully committed to social responsibility and regularly support and engage with local charities and groups in our community.

JPC are members of the International Association of Practising Lawyers and Resolution.
