Private Client Law at JPC

Different stages of life bring different legal issues – and individual client matters remain at the centre of everything we do.

Our private client team can assist and advise on a wide-range of personal matters.

Wealth and asset management and preservation requires broad expertise and timely action: JPC are expert solution-finders and can explain complex legislation in clear terms.

Our private client work is underpinned by the belief that personal issues should never be viewed in isolation, and often impact upon other legal areas. We draw upon expertise from the whole JPC team – engaging our colleagues in property, tax and commercial law – to create up-to-date, bespoke solutions.

The JPC private client team are focused, knowledgeable and discreet. We act for a diverse client base, and respect our clients’ need for confidentiality and efficiency.

Personal matters often need a sensitive and mindful approach, and the JPC private client team consistently deliver effective outcomes in what can sometimes be challenging or emotive circumstances.

JPC

JPC is an award-winning commercial and private client practice.

Our mission is to work together across disciplines, achieving successful outcomes in an ever-evolving market through skilfully applied legal intelligence.

Leasehold Enfranchisement

Private Client & Wealth Management

Residential Property

Our innovative approach of 'success through unity' has served to build and maintain long-standing relationships with both international and UK-based clients. Proactive rather than reactive, we bring together expertise from across our team, delivering tailored solutions to a broad client base.

We are proud of our people, who together create a diverse and driven team. We deal with all matters professionally, efficiently and effectively. We are fully committed to social responsibility and regularly support and engage with local charities and groups in our community.

JPC are members of the International Association of Practising Lawyers and Resolution.
